

Good to Be Alive (Hallelujah)**2017**

Uh huh
 Uh huh
 Ooooooh
 Uh huh
 Alright
 Alright
 Uh huh

I've been grinding so long, been trying this shit for years
 And I got nothing to show, just climbing this rope right here
 And if there's a man upstairs, he kept bringing me rain
 But I've been sending up prayers and something's changed

I think I finally found my hallelujah
 I've been waiting for this moment all my life
 Now all my dreams are coming true, ya
 I've been waiting for this moment

And it's good to be alive right about now
 Good, good, good, good to be alive right about now
 Good, good, good, good to be alive right about now
 Hallelujah, let that bass line move ya, say yeah
 It's good to be alive right about now

I was dead in the water, nobody wanted me (Uh huh)
 I was old news, I went cold as cold can be
 But I kept throwing on coal tryna make that fire burn (Uh huh)
 Sometimes you gotta get scars to get what you deserve (Uh huh)
 I kept moving on and now I'm moving up (Uh huh)
 Damn, I'm feeling blessed with all this love

I think I finally found my hallelujah
 I've been waiting for this moment all my life
 Now all my dreams are coming true, ya
 I've been waiting for this moment

And it's good to be alive right about now
 Good, good, good, good to be alive right about now
 Good, good, good, good to be alive right about now
 Hallelujah, let that bass line move ya, say yeah
 It's good to be alive right about now

I almost can-, cannot handle it
 I could get u-, could get used to this
 I almost can-, cannot handle it

I could get u-, could get used to this

I think I finally found my
(Hallelujah, hallelujah, hallelujah, hallelujah
Hallelujah, hallelujah, hallelujah)

And it's good to be alive right about now
Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Hallelujah, let that bass line move ya, say yeah
It's good to be alive right about now

Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Alright
