

One Night Only

2016

You want all my love and my devotion
 You want my love and soul, right on the line
 I have no doubts that I could love you, forever
 The only trouble is, you really don't have the time

You've got one night only, one night only; That's all you have to spare
 One night only; Let's not pretend to care
 One night only, one night only; Come on, big baby, come on
 One night only; We only have 'til dawn

In the morning this feeling will be gone
 It has no chance going on
 Something so right has got no chance to live
 So let's forget about chances, it's one night I will give

You want all my love and my devotion
 You want my love and soul, right on the line
 I have no doubts that I could love you, forever
 The only trouble is, I really really don't have the time

I've got one night only, one night only; That's all I have to spare
 One night only; Let's not pretend to care;
 One night only, one night only; Come on, big baby, come on
 One night only; We only have 'til dawn

In the morning this feeling will be gone
 It has no chance going on
 Something so right has got no chance to live
 So let's forget about chances, it's one night I will give

One night only, one night only
 Come on, big baby, come on
 One night only
 We only have 'til dawn

One night only, one night only
 There's nothing more to say
 One night only
 Words get in the way

One night only
 One night only
 One night only...
