

You Can't Always Get What You Want 2016

I saw her today at the reception
 A glass of wine in her hand
 I knew she would meet her connection
 At her feet was her footloose man

No, you can't always get what you want
 You can't always get what you want
 You can't always get what you want
 But if you try sometime you find
 You get what you need

I saw her today at the reception
 A glass of wine in her hand
 I knew she was gonna meet her connection
 At her feet was her footloose man

You can't always get what you want
 You can't always get what you want
 You can't always get what you want
 But if you try sometimes, well, you might find
 You get what you need

And I went down to the demonstration
 To get my fair share of abuse
 Singing, "We're gonna vent our frustration
 If we don't we're gonna blow a fifty-amp fuse"

You can't always get what you want
 You can't always get what you want
 You can't always get what you want
 But if you try sometimes, well, you just might find
 You get what you need

I went down to the Chelsea drugstore
 To get your prescription filled
 I was standing in line with Mr. Jimmy
 And man, did he look pretty ill
 We decided that we would have a soda
 My favorite flavor, cherry red
 I sung my song to Mr. Jimmy
 Yeah, and he said one word to me, and that was "dead"
 I said to him

You can't always get what you want
 You can't always get what you want

You can't always get what you want
But if you try sometimes you just might find
You get what you need
You get what you need, yeah, oh baby
I saw her today at the reception
In her glass was a bleeding man
She was practiced at the art of deception
Well, I could tell by her blood-stained hands
You can't always get what you want
You can't always get what you want
You can't always get what you want
But if you try sometimes you just might find
You just might find
You get what you need
You can't always get what you want
You can't always get what you want
You can't always get what you want
But if you try sometimes you just might find
You just might find
You get what you need, oh yeah
